

My name is Liz Carr & I'd love your vote for Bargaining Committee

I've been with SD43 for 5 years, 3 as an EA.

I'm a new steward with the district but have a lot of Union experience in my past.

Who I Am

Mostly I'm an information sharer. I believe in communication and transparency & strength in numbers.

I'm passionate about Union life and will always give my all for our team.

Why Now

I finally feel like I'm getting to know the district after 5 years and feel like I can contribute in a real way. I believe we need all hands on deck.

Experience

I've served as chief steward for the past CAW, bargained several collective agreements & fun fact: organized the first group of Starbucks into union shops in the '90s.
