Eligible 10-Month Support Staff: Get Support Over The Summer

If you become **ill or injured** and need assistance with recovery, treatment access, or return-to-work planning, don't wait until September!

The **Joint Early Intervention Services (JEIS) program** is available **throughout the summer** to help you get the support you need before the school year begins.

How We Can Help:

- ✓ Guidance on treatment and recovery options
- ✓ Assistance with accessing medical specialists
- ✓ Personalized return-to-work planning

Reach Out Today!

If you need support, contact your school district at 604 939 9201 to be referred to JEIS. We're here to help—no need to wait until fall!
