SD43 2025 Bargaining Proposals

CORRECTED Meeting Date and Time

If you would like to submit a bargaining proposal for the upcoming round of bargaining, please go to our CUPE 561 Website and click on the fillable pdf. Alternatively, you can simply send an email to cupe561@cupe561.ca with your proposal. We encourage members to go through our collective agreement to look at language they would like to see changed, or ideas for new proposed language or benefits.

Please note that most monetary items are negotiated at the provincial bargaining table, however, please feel free to propose changes or new language where there is a cost associated to it, as it is possible that the Provincial K-12 bargaining agreement will result in some funds allocated for local bargaining.

An online meeting will be held on **Sunday February 23 at 6:00** pm for all SD43 members, where the bargaining committee will explain the bargaining process and answer any questions regarding submitting proposals as well as any general questions to do with bargaining.

From your Bargaining Committee
