

ELECT FOR MEMBER AT LARGE

SHAMUS HALVORSEN

With 18 years of dedicated service to our union as an EA, I proudly serve as a member on the JJEC and the duty to accommodate committee with previously being part of the bargaining and the bylaw committee

"It is my distinct pleasure to endorse Shamus as our newest member at large. Shamus is no stranger to hard work, has been union involved over a period of 10 years, with experience working on numerous committees for the last 5. He brings with him a wealth of experience, and a "can and will do" positive attitude and willingness to everything/everyone he supports and takes on. Shamus will do a fabulous job."
